We cordially invite you to participate as a Sponsor of the "Tough as Teal 5K Run/Walk" to support a Boiling Springs resident. Jennifer Grove is a wife, mother, and daughter, and has been battling ovarian cancer for years. We are hopeful to raise enough money to defray medical and unforeseen costs the Grove Family has incurred. The event will be held on Sunday, May 15, at South Middleton Park. The Appalachian Running Company is supporting our efforts. Medals will be awarded for the top three runners for each age group.

As we are providing the logistics, planning, energy and enthusiasm to this cause; we are reaching out to local businesses and merchants to obtain sponsorship to help defray the cost of organizing the event. Funds received from sponsorships will be used to purchase t-shirts for registered race participants, medals, as well as drinks and snacks for each race participant.

Sponsors will be gaining exposure to approximately 100-200 runners and their families. Our participants range in all ages. The exposure you can expect will be provided through advertising on the back of the t-shirts. If you have any business advertisement that you would like to display on race day, please contact Teri.

If you are in a position to assist us in this most worthy cause, we are asking for a monetary donation in the amount of your choice.

Thank you in advance for your consideration of becoming a race sponsor. Please call or email Teri Bear, Sponsorship Chair to set up sponsorship or answer any questions. Teri can be reached at 717-512-5339 or [tbeartwins97@gmail.com](mailto:tbeartwins97@gmail.com).
